## Athlete Summary

Maddie has a big smile and the brains to go with it. She is an honors student and loves her Italian class. Her life's aspiration is to become a doctor and help save lives. As sure as she is in the classroom, she takes it up a notch on the field. In the circle her velocity and location keep the bases clear. Her talents allow her to also play 3B, SS, 1B and OF which are seamless for her. Offensively she has the ability to hit with power and uses her speed once on the bases. In 2020 she helped her team achieve a 3rd place finish in the USSSA NE Nationals at 16U. A fun fact about Maddie is that she is a true gamer, in her free time she likes to continue to play games, either on her phone or console it doesn't matter she will play anything
